Earth, Energy & Environmental Career Fair

Tuesday, October 16, 2012
Noon - 4:00 pm
Tresidder Memorial Union
Oak Lounge

The School of Earth Sciences, Stanford Energy Club and the Career Development Center will host the Earth, Energy & Environmental Career Fair.

This targeted career fair will feature public and private sector organizations that are pursuing sustainability, with a particular focus on clean technology. This event will provide you an opportunity to speak informally with organizations focused in various energy sectors, conservation and sustainability. Companies are looking to fill internships and full time positions.

Some of the participating companies include:

• Duke University Nicholas School of the Environment  •  Erler & Kalinowski, Inc.
• ExxonMobil  •  Fidelity Exploration & Production  •  Navigant Consulting
• New Island Capital  •  Peace Corps  •  Shell Oil Company
• U.S. Environmental Protection Agency  •  Vigilent Corporation
