

**JOINT MS IN ENVIRONMENT AND RESOURCES  
CUSTOMIZED COURSE TRACK PROPOSAL  
ACADEMIC YEAR 2020-2021**

In exceptional cases, a Joint MS student may opt to create a self-designed, or customized, Course Track. Students must consult with the Joint MS Student Services Officer and/or Program Manager prior to submitting this petition.

**REQUEST (Select One):**

- Combine courses from two Course Tracks to make a Blended Track
- Create a customized Course Track

**PROPOSED TRACK NAME:** \_\_\_\_\_

**INSTRUCTIONS:**

- List all 4 proposed track courses, and provide a detailed and compelling discussion of how each course fits the proposed blended or customized Course Track.
- **Provide syllabi** for proposed track courses not already included in one of the existing Course Tracks. Proposals will not be accepted unless syllabi are attached.
- Include a description of potential Capstone project ideas that reflect this customized Track.
- Submit a hard copy (drop off in Y2E2, Suite 226) or soft copy (email [mayee@stanford.edu](mailto:mayee@stanford.edu)) to the E-IPER Joint MS Student Services Officer. If you send the form electronically, save the file with your name and date. A signature is not needed if the form is submitted electronically.

**DESCRIPTION AND JUSTIFICATION FOR REQUEST:**

*(attach additional pages if needed)*

**STUDENT:**

Printed name: \_\_\_\_\_

Signature: \_\_\_\_\_ Date: \_\_\_\_\_

---

*Submitting a petition does not guarantee an approval of the request. Approval of your request may be at the E-IPER staff or Faculty Director level and/or may be discussed with the Executive Committee or colleagues in the professional schools, depending on the nature of your request and implications for the program. We will respond as quickly as we can.*

**E-IPER DECISION:**     APPROVED     NOT APPROVED     REQUEST REVISIONS

**E-IPER REVIEWERS:**
